We have raised approximately \$400 per month in pledge support for the Carder family. They were scheduled to visit Indonesia sometime in January to determine whether or not that location was a good ministry fit.

If Indonesia is confirmed as the location where God is calling them, they will begin making plans for a permanent move. The pledged funds will contribute to their monthly living and ministry expenses. Other churches are partnering with them and us in this global perspective of God's work.

You are welcome to contribute monthly or make a one time gift at any time. Just as we endure unplanned expenses, they will do the same. They are asking that we pray for their obedience to follow HIM anywhere, patience while they wait, and faithfulness for them to use their time here wisely.

Sounds like a prayer we should ALL be praying. May God continue to get the glory on earth as it is in heaven.

Bruce is planning another short-term mission trip to Mexico which gives everyone a chance to go with them by providing financial support.

A team of 17 people from SHCC will be going to Juarez from May 30th-June 6th.

The raised funds go toward lumber, chicken wire, and many other supplies to build the much needed house and share the Good News of Christ with a community that God loves very much.

If you are able to pledge \$9 per week for the next 15 weeks that would be great. However, if you would like to give a different amount or a one-time gift, that would be great also.

Thank You, Salina Heights, for the many ways in which you give to the Lord.

SMALL GROUPS

Have you ever attended a life giving small group? Perhaps God is calling you to be a host. Ever considered a group for 'Car Collectors' or 'Sports Nuts' or 'Singles?' What a great way to connect with others from your community and SHOW God's glory at the same time.

If you would like to join an existing group or host a **New Group** contact Pastor Darrel.

The Carder's

February is known mostly for its major holiday called 'Valentine's Day.' This month we are going to build on that atmosphere of love and learn how to **Fireproof** our relationships.

From the moment we wake up 'till the time we go to bed, we're relating and reacting to scores of people. Wouldn't it be great if we gave those people God's very best, especially if 'those people' were our wives (or husbands) and kids?

But, before we try to manufacture the right kind of love, it would be smart to consult the author of love, God the Father. His Word is full of life lessons on how to love, express yourself, get angry, restore a friendship, deal with enemies, bite your tongue, heal, take the bull by the horns and much more. Our relationships could be so much more in line with God's expectations if we would take the time to read and understand the life manual He provided.

Although there is a marriage component to the **Fireproof** series, it's more of an opportunity to evaluate the extent to which you have 'clothed yourself with Christ.' Colossians 3:12-14 says, "Clothe yourselves with compassion, kindness, humility, gentleness and patience. Bear with each other and forgive each other whatever grievances you may have against one another. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity."

Hmmm. The manual says that I may need a wardrobe change. How about you?
