

## LIFE GROUP STUDY GUIDE:

(60-minute session—04-17-22)

Welcome! We are so glad you decided to join us today, especially as we study and think about what Jesus accomplished for us through his death and resurrection.

We hope you enjoy worshipping with us today, and we invite you visit us in the Next Steps room at the end of service. If you have any questions, need prayer, or just want to say hello, we'd love to hear from you.

**READ:** Matthew 28:1-10

From your perspective, why don't more people believe in the resurrection? What's the biggest reason?

### Four things that come with the resurrection:

1. The assurance of our \_\_\_\_\_:

What claim of Jesus were validated through his resurrection?

How does this encourage you?

2. A new \_\_\_\_\_ and a new \_\_\_\_\_:

Which one of the 10 Commandments is not (in some way) repeated in the New Testament?

What special day is set aside for Christians? How do we honor God on this day? How does that differ from the Old Testament?

3. Encouragement \_\_\_\_\_ and for the \_\_\_\_\_:

How important is it to have a living hope?

How does this hope help you navigate the rough seas of life?

4. A message to \_\_\_\_\_:

What must the resurrection always end with?

What can you tell others about Jesus?

**Rooted Groups:** What Rooted rhythms were connected to the lesson above? How can we encourage one another to practice these rhythms?
